

Vois-Pro Series

Model: SX-510

**The Newest Flexibility
Fashionable**

The SX500 SERIES headset has evolved to include shock protection, an additional padding for added comfort on ear cushions and headband.

Dealing with call centre and office environment, the SX-500 SERIES has enhanced the quality of audio, comfort and durability that are essential to specific needs. It is a headset designed to facilitate handling and looks great for use throughout a comfortable day. The SX-500 SERIES wideband headset delivers HD sound clarity, highlighting speaker recognition and reducing echoes.

Feature Highlight

- ◆ Quick disconnect cord.
- ◆ HD sound to hear great voice.
- ◆ Special designed "air shock".
- ◆ Comfortable foam ear cushions for all day wearing comfort.
- ◆ Clear sound quality.
- ◆ Ultra noise-cancelling.
