

ErisTerminal™ SIP DECT Cordless Headset

Accessory headset only; requires a VSP725A or VSP735A SIP deskset to operate

VSP500A

Keep your customers on the line, even when you're on the move in your office. Answer and end calls right from your headset—Up to 150 metres from the base.* Mute, flash and volume controls make it easy to multi-task, while DECT technology and a noise - canceling microphone deliver interference-free conversations. Plus, a magnetic charger in the cradle ensures the headset fits and charges securely, so you'll never run out of battery during long calls.
