Key Features and Benefits

4 Lines
4 SIP Accounts

Android 5.1 OS

SDK/API
for APP development

5 Mega-pixel Camera

10.1-inch touch screen
horizontal 1280x800

Dual ethernet ports
10/100/1000mbps

Popular design with HD display screen

- Ergonomic Design, display angle adjustable from 10°~70°
- 10.1-inch IPS multi touch screen, horizontal and HD 1280x800
- 5 mega-pixel, angle adjustable from -30°~+180°

Android OS for a superior user experience

- Runs Android 5.1 operation system, built in Calculator, calendar, clock, gallery, web browser, search
- Support ethernet

Rich interfaces for multiple scenes

- Dual ethernet ports, auto-sensing, 10/100/1000mbps gigabit
- 1 USB 2.0 for U disk, keyboard, mouse, etc
- POE

V200 Key Specification

Items		V200 Video Phone (IP)
System Configuration	Operating System	Android 5.1
	CPU	Quad Core
	FLASH	8GB
	RAM	1GB
Display	10.1", 1280x800, IPS multi touch screen	
Display angle adjustment	Display angle is adjustable	
Camera	5 mega-pixel, angle adjustable	
Ethernet port	2 Ethernet ports, 10M/100M/1000M, adaptive; POE	
Trunk interface	Support SIP2.0, IMS-SIP	
WLAN	2.4G, IEEE802.11b/g/n	
Bluetooth	BT 2.1+EDR/3.0/4.1LE	
Storage card	Support MicroSD (TF)	
USB port	1 USB 2.0 for U disk, keyboard, mouse	
Protocol	Network protocol	TCP/IP, SIP, SDP, UDP, RTP, RTCP, DHCP, DNS, HTTP, HTTPS, SNTP, XML, TR069
Audio	Audio codec	G.711a, G.711u, G.729, G.722, iLBC, SILK, OPUS
	Audio features	ANR: Adaptive Noise Reduction PLC: Packet Loss Concealment VAD: Voice Activity Detection AJB: Adaptive Jitter Buffer VQM: Voice Quality Manager AGC: Automatic Gain Control CNG: Comfort noise generator Sidetone Cancellation
	Voice record	Support
Video	Video codec	Encoding: H.264, VP8 Decoding: H.264, VP8
	Video resolution	QVGA(320*240), 4CIF(704*576), CIF(352*288), 720p(1280*720), VGA(640*480)
Telephony	Contacts	2000 contacts, support contacts search, import, export
	call logs	1000 call logs for received calls, 1000 call logs for missed calls, 1000 call logs for dialed numbers
	Local conference	6 parties audio conference
	Telephony features	Call Hold, Call Forward, Call Transfer, Three-Way Calling, Call Waiting, Call Reject, Missed Call Reminder, Speed Dial
	SIP account	4 accounts
	Android OS features	Build-in APP: Calculator, calendar, clock, gallery, web browser, search
Management		WEB/TR069
Customized applications		SDK/API for customer application development; Build-in company contacts
Power adapter		Input: AC100~220V Output: DC12V/1A
Size		300mm*200mm*72mm
