General Function:

- 1 Line interface
- Message waiting light (MWL)
- Half-Full length faceplate
- 3 position of volume control
- Electronic Hold key
- Auto release line
- Flash timing (100ms/600ms)
- Redial function
- Incoming light indicator

Technical Specification:

- Dimension: 200mm (L) x 90mm (W) x 75mm (H)
- Weight: 500Gms

Accessories:

- Detachable Coil Cord
- Detachable Line Cord

Color:

- Black
- Almond

Packaging:

- 10 Pcs / Ctn
- Ctn / 6 Kgs

FCC   CE   RoHS COMPLIANT ✓
