ErisTerminal™ SIP DECT Base Station and Cordless Handset
Register up to 6 cordless handsets

VSP600A

Add hands-free mobility to your SIP communications with the VSP600A base station. Expand up to six VSP601A SIP cordless handsets per base station, each with its own extension or unique phone number. The base station can be configured for up to six lines and supports up to four active, concurrent calls.
